## **HCI Beginning Several Brevard Schools Facility Renewal Projects**

---

*Merritt Island, FL, March 16, 2016*

Heard Construction, Inc. (HCI) will begin construction on several facility renewal projects for the School Board of Brevard County under the Half-Cent Surtax Project Plan. HCI will provide mechanical upgrades and other miscellaneous improvements at Jefferson Jr. High, Tropical Elementary, Sea Park Elementary, and, recently awarded, Melbourne High School.

Heard Construction, Inc. (HCI) is a privately owned company providing design-build, construction management, general construction, preconstruction and owner's representative services. Our office is located in Merritt Island, FL.
